*Data collection and use are based on Article 6(1), sentence 1(b) of the EU GDPR and are limited to internal association purposes. The data will not be used for any other purpose or disclosed to third parties without prior consent.

**Membership dues are generally collected during the first half of the year. The annual membership fee includes a subscription to the "Journal of Peace and Conflict Research" (ZeFKo). A donation receipt will be sent upon request. Please notify the administration if there are any changes to your income or bank account information.

Data Protection

I consent to the Arbeitsgemeinschaft für Friedens- und Konfliktforschung e.V. (AFK) as the responsible body processing and using the personal data collected in the membership application and SEPA direct debit mandate—such as name, first name, address, email address, phone number, current occupation, connection to peace and conflict research, and (in the case of acceptance into the AFK) bank account details—exclusively for the purposes of membership administration and the collection of membership fees.

Transmission of parts of this data to the publisher of the Journal of Peace and Conflict Research and to cooperation partners within the framework of the AFK Colloquium occurs solely for the purpose of sending the journal to the member and organizing a reduced participation fee for the colloquium. No data will be transmitted to third parties outside of the publisher and the respective cooperation partner during the colloquium. The data will not be used for advertising purposes.

Each member has the right, within the framework of the provisions of the Federal Data Protection Act / General Data Protection Regulation (GDPR), to receive information about the personal data stored about them by the responsible body.

After leaving the association, fulfilling the fee obligations, and after expiration of the statutory retention periods, the personal data collected in the membership application will be archived by the Friedrich-Ebert-Stiftung for scientific and historical research purposes in accordance with Article 5(1)(e) of the GDPR. The collected bank account data will be deleted. The resigning member has the right to request the deletion of all personal data.
